

## Bits & Pieces

June 09

Well, the rains finally came. We got much needed rainfall in the past two weeks, almost 3 ½ inches . Along with the rain comes mosquitoes. We will start spraying and adding mosquito dunks into the ponds. We are also trying to control the smell the ponds have at this time due to the grass clippings that get washed into them. We did a drill & fill on #4 green, it seems to be responding very well and the membership has commented on the ability to stop a ball on it . We are hoping to be able to do the rest of the greens sometime towards the end of the year. It is an expense well worth its benefit. We had some problems with our pump station but we are up and running and are able to water again. The month of June is another busy week for RHCC and we have 5 tourneys on schedule. Public play continues to increase also. I would like to thank my maint. Crew and Denise and her staff for doing an excellent job . Many people come out to play RHCC and are very impressed with the course and the way they are greeted at the bar. During the outside tourneys everyone comes together to get the job done and work to make sure that things go right and afterwards we ask, " What can we do better " . It sometimes it gets overlooked but I truly am grateful for working with such great group of people. Once again I ask for the memberships patience , as we will be performing aerification on June 15<sup>th</sup>/16<sup>th</sup>. We will do our best to do this with as less interruption and disruption to the course.

The 19<sup>th</sup> hole continues to do well. Many burgers are being made and being enjoyed. Friday nights continue to be the best but Tuesdays are starting to come along also. New items are on the list, so come by and try them. Just a reminder you must sign your charge tickets .

News from the Pro shop – June 5<sup>th</sup> and 19<sup>th</sup> are putting tourney days. Please sign up at the Pro Shop. June 6<sup>th</sup> is Robert Thompson Benefit Tourney. June 7<sup>th</sup> scotch Foresome. June 10<sup>th</sup> Ladies Inter City. June 12<sup>th</sup> Member/Guest Dinner with the tourney scheduled for June 13<sup>th</sup>/14<sup>th</sup>. June 15<sup>th</sup> STPGA. June 22<sup>nd</sup> Neighborhood Centers Tourney. June 24<sup>th</sup> over 60 Tourney. As you can see the month of June will be very busy.

In closing , I ask that you drink plenty of water and try and stay cool , Summer is here and so is Hurricane season.

Keep the Faith !
