

Bits and Pieces

February 2009

Spring is in the air! We are heading into the busiest part of the season for the main. Staff. Aerification , bunker edging , and fertilizing the entire course are just a few items that we are going to work on. Aerification of the greens is scheduled for March 9th. We will be aerifying fairways during the same week. The membership 's patience is greatly appreciated while all these projects are going on. Bulk application of fertilizer on the entire course is scheduled for the same week. We will continue to spray herbicides on the entire course as well. As you can see we are off and running and we look forward to making the course look the best in the area.

!9th hole news – Lent season is here and the 19th hole has a list of items to choose from. The kitchen will stay open until 9:00pm effective March 8th. Some new items are going to be on the menu as a trial basis to see how the membership responds. Try our new chicken strips ! Feedback from the membership is greatly appreciated. Also we have some good chicken wings.

News from the Pro Shop – Scotch foursome is scheduled for March 1st. Night light tourney is scheduled for March 14th. T-M High school Golf Tourney is scheduled for March 23rd. Member / Member Dinner is scheduled for March 27th. **Please RSVP if you plan to attend.**

The Member/Member Tourney is March 28th & 29th. Zarsky tourney is scheduled for March 30th. Ladies Playday is every Wednesday morning. **RHCC Board meeting is scheduled for March 18th at 6:00pm.**

In closing , anyone interested in running for the Board of Directors should contact Tom at the Pro Shop. There are 3 seats open this year. Come on out and enjoy your course.
